

OHS for Supervisors

BSBOHS407A Monitor a safe workplace

Course Overview

This course equips the participant with the skills and knowledge required to implement and monitor the organisation's occupational health and safety (OHS) policies, procedures and programs to meet legislative requirements.

Recommended For

It is ideal for employees with supervisory responsibilities for implementing and monitoring the organisation's OHS policies, procedures and programs.

It will provide skills to identify hazards, assess risks and to review data relating to monitoring and evaluating incidents (accident), environmental issues and the effectiveness of risk control measures.

Learning Arrangements

You can complete this course by attending our 1 day workshop or self-paced using our comprehensive resource book. All participants are provided with professional support and advice from one of our expert Facilitators.

Course Cost

\$330.00 (inc. GST) per person.

Includes 20% discount card on Senior First Aid (valid for 12 months).

Course Recognition

This course meets the national training requirement for unit 'BSBOHS407A Monitor a safe workplace'. On successful completion of this course participants will receive a nationally recognised Statement of Attainment.

Enquiries and Enrolments
