

OHS for Workers

BSBOHS301B Apply knowledge of OHS legislation in the workplace

Course Overview

This course equips the participant with the skills and knowledge to understand and contribute to any actions required to ensure compliance with OHS legislation, codes and standards.

Recommended For

It is ideal for employees at all levels particularly for those who are unfamiliar with OHS as it applies in a work environment.

It will provide skills to identify and apply current OHS legislation, understand the consequences of non-compliance, and contribute to ensuring that work is undertaken in a safe manner.

Learning Arrangements

You can complete this course by attending our 1 day workshop or self-paced using our comprehensive resource book. All participants are provided with professional support and advice from one of our expert Facilitators.

Course Cost

\$330.00 (inc. GST) per person.

Includes 20% discount card on Senior First Aid (valid for 12 months).

Course Recognition

This course meets the national training requirement for unit 'BSBOHS301B Apply knowledge of OHS legislation in the workplace'. On successful completion of this course participants will receive a nationally recognised Statement of Attainment.

Enquiries and Enrolments

If you have any questions regarding the course please contact our customer support staff. Information can be provided by email or post, or you can visit our Training Centre and speak to one of our staff.
