

Personal Care Workshop

Course Overview

This course provides participants with the skills and knowledge required to provide personal care support to frail and aged people and people with disabilities.

Recommended For

This course is recommended for any person wanting to obtain the skills and knowledge required to provide personal care with dignity.

Primary carers of family members, volunteers in community support work, and even qualified carers wanting to refresh and update their skills, will benefit from undertaking this course.

Learning Arrangements

1 Day Workshop

9.00am to 4.00pm

Our Facilitators are up to date with the latest information and techniques required to provide personal care with dignity. All participants are provided with professional support and advice from one of our expert Facilitators.

Course Cost

\$200.00 (inc. GST) per person.

Course Recognition

This course meets the national training requirement for unit 'CHCICS301A Provide support to meet personal care needs'. On successful completion of this course participants will receive a nationally recognised Statement of Attainment.

Enquiries and Enrolments

If you have any questions regarding the course please contact our customer support staff. Information can be provided by email or post, or you can visit our Training Centre and speak to one of our staff.
