

# Senior First Aid

## Course Overview

This course provides participants with the skills and knowledge required to provide initial first aid to a victim of injury or illness, until the arrival of professional medical care.

## Recommended For

This course is recommended for any person wanting to confidently provide first aid care and manage emergency situations.

Apply first aid is required for employees working in many industries, including mining, oil & gas and health. It is the minimum level of qualification required by Workplace Health and Safety Legislation for the 'Workplace First Aider' recommended for lower risk workplaces.

## Learning Arrangements

**2 Day Full Course** 9am to 4pm **\$165 (inc. GST)**

For people who require a Senior First Aid qualification for work, or for people who just want the skills and knowledge to provide basic first aid.

**1 Day Flexible Learning and Refresher Course** 9am to 4pm **\$165 (inc. GST)**

For people with previous experience or knowledge of first aid who prefer to learn in their own time at their own pace, or for people who have a current Senior First Aid certificate due for renewal.

## Course Recognition

This course meets the national training requirement for unit 'HLTFA301C Apply first aid'. On successful completion of this course participants will receive a nationally recognised Statement of Attainment.

Apply First Aid training must be undertaken at least every three (3) years to remain current. Some industries and workplaces require employees to undertake the course more often to maintain the same currency.
